

# Teach Like Jesus

We become more like Jesus

when we \_\_\_\_\_ like he \_\_\_\_\_

*A Christlike teaching ministry includes:*

1. \_\_\_\_\_ of God's \_\_\_\_\_

2. \_\_\_\_\_ of God's \_\_\_\_\_

3. \_\_\_\_\_ of God's \_\_\_\_\_

## For Further Reflection and Discussion

*Opener: What has been your least favorite job?*

How did God speak to you or work in you at church this Sunday?

In churches you have been a part of, what has qualified as "good teaching"? What has the preaching been like?

Mark 1:14 says that Jesus came proclaiming good news about the kingdom of God. Do you think that Christians' proclamations today are perceived as good news by the people who hear them? Why or why not?

In addition to the fact that God loves them, what else do people need to know in order to have a full understanding of the gospel?

What is the difference between a teacher explaining God's Word and applying it?

Read James 1:22-25. If we merely listen to the word, what happens? What happens if we not only listen, but do it?

In Jesus' ministry, what effect did demonstrations of God's power have in how people perceived and received his teaching? (See John 3:2, Matthew 13:54)

Do you think we should expect demonstrations of God's power (healings, etc.) to be a part of a teaching ministry today? Why or why not?

- What difference would it make in our contemporary church context whether or not there were these kinds of demonstrations?

How can we pray for one another?
