What are some of the reasons this psalm says we should give thanks?

What does this psalm tell us about God's character?

What are the ways God showed His love to the Israelites that are highlighted in this psalm?

In your own life, when is a time that you felt "remembered" by the Lord (v. 23)?

What are some of the ways and times when God has rescued you (v. 24)?

How have you experienced God's provision in your life? What has he provided for you? How has He done that?

In what ways are you still waiting for God's intervention in your life?

How long have you been a part of Risen King?

- In that time, what are some ways you have seen God show his enduring love to us as a church family? In what ways has he remembered, rescued and/or provided for us?
- In what ways are we still waiting for his intervention?

How can we pray for each other?
