For Further Reflection and Discussion

Opener: When and how did you learn to drive an automobile?

How did God speak to you or work in you at church this Sunday?

Read Mark 12:41-44 and Mark 14:3-9.

- What are some similarities in these stories?
- What are some differences?
- What is surprising in each of these stories?

In Mark 14, what purpose does the woman's act serve?

Does the woman show good stewardship of what she had? Why or why not?

In Mark 12, what does Jesus' comment tell us about what God values?

What should we learn from the example of this widow?

How do the examples of these women fit or not fit what you have understood "generosity" to be?

How easy or difficult is it for you to give *willingly* from what you have? Why is that?

On Sunday, Pastor Tim included the word "freely" in his definition of generosity. What does it mean to you to give "willingly and freely"?

- In the stories we read, what did giving freely look like for the woman and the widow?

After hearing the sermon on Sunday and our discussion today, what questions do you have about giving or generosity?

What is God calling you to do in response to his Word today?

How can we pray for one another?
